

# THE MAVERICK MESSENGER

JUNE 2012

## STAY HEALTHY THIS SUMMER WITH THE MAVERICK

### Joanie's Corner

Here in Texas, June is the official start of summer with school out and the hot weather we've been having. Can't wait until June 20 to actually declare it the first day of summer. Now let's begin the outdoor fun of grilling, vacation trips to the beach, park or pool, sightseeing, visiting relatives, etc. All the things that will have you itching to blast out of the house without so much of a thought of time the way it's flying by so fast. If your preference is staying in town and indoors, we've got the place for you. Here at the Maverick, water aerobics begins on Monday, June 4 at 8:00 a.m. Pick up the schedule at the front desk to check for times. What better way to cool off in the pool and "yak" with your pool-mates! We've also got the inside classes to work out as well. Just stay busy and healthy through the summer and the next season will greet you with more of the same. It's also a good time to wash those sneakers you've been wearing everywhere, everyday! Set them out in the sun to air-dry and they will look like new again. Going "solar" is the in thing to do now, so enjoy the breath of fresh air and sipping your favorite drink under the shade of your branchy tree. Flowers are blooming everywhere from the rain we've had. ENJOY!

### FISH FRY AND SPLASH DAY

The annual fish fry was held on Saturday, June 2 at noon. In addition to this fest, the pool was officially opened for the

members to use. The pool underwent an overhaul and repairs that passed strict inspection for the year. It's in great shape and ready for the swimmers to try it out! Inside, where it was cooler, everyone was

settling down with iced tea and beer anxiously awaiting the noon hour to eat. Plenty of coleslaw, baked beans, potato salads, pasta salads, fruits and lots of yummy desserts accompanied the hush puppies, fries and OF COURSE the main entree - fried fish. (white bass/crappie) Fresh catch from **Bob Sullins** on his recent fishing excursion. Thanks Bob! A big THANKS to our gourmet chefs, **Doug Robinson** and **Redge Henline** for frying the stuff and putting up with the grease-splattering pots and the heat outside. Also thanks to our gracious members for bringing a dish to share.

## MEET OUR NEW NEIGHBOR

While we've been watching the progress of the construction that has been going on next door, there's been different stories of what it is going to be. Confirmed! **Pharmacy Solutions** is moving from their old location on Park Row. Grand opening is tentatively scheduled for mid-June. The Compounding Specialist and owner is Tom Siegenthaler. He and his crew make their own special "brew" of medicine for that special prescription you need. Check it out and give them a big howdy and welcome to the neighborhood.

## **PARKING SPACES AVAILABLE**

On certain days, the parking lot gets filled up to the brim. Check out the lots behind the Maverick (by the pool area) as well as the back lots behind the restaurant. Just don't park in the area meant for the Pharmacy customers. Be careful to park within the white lines and not too close to another car. It will be a little more crowded with the summertime Emler swimmers coming in for lessons. By the way, if you have any kids, grand-kids, great-grandkids wanting lessons ask the front desk.

## SUMMER MEMBERSHIP SPECIALS

We have temporary summer memberships for those who are only needing a short term place to exercise. They can be bought for one, two or three months at a time. We also sell a special membership that allows access to use the pool only and access to the locker room as well. Check with the front desk for information on cost. The membership will terminate at the end of paid period.

## **REMINDER FOR ALL MEMBERS**

All members and Silver Sneakers must check in at the front desk for each visit. No one is allowed to use the back gate for entrance to the pool. Thank you for your cooperation.
