RULES OF LEAGUE PLAY

(The leagues are for your enjoyment and these rules are intended to enhance that experience)

1. All players are required to wear USRA approved eyewear. If your opponent does not have proper eyewear, please let the league director know so that eyewear can be made available.
2. Please check in as soon as you get to the Maverick. The list will be at the front desk when you come in, if no one is at the front desk please highlight your name so we know you are here.
3. All players must pay by the second week of leagues. Failure to do so will result in being dropped from play.
4. Players have 15 minutes to show up for league play. After that time period has passed the player will be forfeited.
5. Players must give a phone number in case another player has to reschedule a match, so he/she can get in touch with you.
6. Please check the schedule every week to see who you play. The schedule is posted on the wall in the hallway by the stairwell. You can get player's numbers and keep track of who you play if you need to reschedule a match.
7. If you can not make a scheduled league match, it is your responsibility to contact the person you are supposed to play at least 24 hours in advance and let them know you will not be able to make leagues that night. Failure to do so will result in a forfeit.
8. If called to a court, you must go to that court within 5 minutes and be ready to play. Please do not be on a challenge court trying to finish a game 15 minutes after you have been called. This is discourteous to fellow players who have to wait and disrupts other matches scheduled after yours.
9. All players must turn in scores after the match is over. If you notice a mistake in the posted score, please bring it to our attention ASAP.
10. All league matches must be played by the end of the make-up week. No matches will be played after the make-up week deadline. If you can not make up the matches you have missed, you must forfeit those matches. Players may advance to the finals only if they have played at least 5 matches.
11. Play-offs will be played the same night as your league match; however, start times will vary. We will have a league finals party at the end on the last night.
